SELECTION GUIDELINES

School Sport Australia Championships consists of both educational and sporting components. Being a member of a School Sport Victoria Team Vic representative team provides the opportunity to be involved in all educational and sporting excursions and aim for national selection.

Team Officials run a selection process that is fair and transparent. This process involves the design of guidelines and trial activities, assessment of players and ensuring students, parents and teachers are made aware of this process.

Team members are required to abide by the following responsibilities:

- Attend all sessions (i.e., including but not limited to training, practise sessions, uniform presentation, team photo, online professional learning sessions etc..) as deemed compulsory by Team Officials.
- Must be accompanied by a parent/carer to the 2025 Championships. Parent/carer is responsible for the travel, meals and accommodation for themselves and their child.
- Purchase the compulsory uniform (approx. \$250.00 – \$400.00)
- Complete and return all team documentation to the Team Manager by the due date.
- Pay all team fees by the due date (approx. \$800.00 – \$1200.00)
- Attend all SSA Championship sessions, including the opening and closing ceremonies and the championship team experience as per the [SSA Championship Attendance Policy](#).
- Recognise that the SSA Championships are school activities, and the decision-making regarding each team member's participation in those activities or in preparation for those activities, is the responsibility of the Team Officials.
- Be respectful of the role of the Team Officials in making decisions regarding each team member's participation in SSA Championship activities or other preparation activities.
- Follow and comply with any health or safety advice that is issued.

Guidelines for selectors

- Opportunity to play in at least two preferred positions
- Appropriate playing time to assess each trialist – selection is based on trial performance.
- Trialists must participate in at least one stage of the selection trial process to be considered eligible for selection
- Team officials / Trial coordinators / Team selectors reserve the right to not require a player to participate in any trial stage if they deem it to be unnecessary.
- Team officials reserve the right to select a player who is injured or unavailable due to an approved reason during the trial process for reasons applicable to the State Teams Trial Exception Policy. Players who are part of this process may be required to provide a statutory declaration and / or medical certificate and may also be required to attend the trial process.
- Where there may be a perceived or actual conflict of interest such as: trial coordinators assessing the selection of a friend or relative, this must be communicated to SSV and a plan to manage the conflict will be developed and implemented.
- Consider team composition so players from the same school or team are not advantaged over individual representatives.
- Where appropriate, concentrate on selecting players with generic skills rather than players for specific positions.
- Team balance is critical to selection of the final squad.
