On behalf of School Sport Victoria, it is my pleasure to welcome you to School Sport Victoria's State Cross Country Championships.

School Sport Victoria provides regular sporting opportunities to 90% of Victorian school students. This equates to over 550,000 students across 2,400 schools. In line with the Education State Ambition: Happy, healthy and resilient kids. School Sport Victoria actively advocates building resilience and increasing physical activity in our students and young people. Physical activity is vital for increased health and fitness, developing coordination and motor skills, and has a positive effect on general wellbeing including mental health and social development.

Membership of School Sport Victoria is open to all Victorian schools from years 4 to 12, providing the opportunity to participate in programs that extend from grassroots intra and inter school sport, to district, division, region, conference, state and national levels.

In sport, as well as life, it is important to set some goals and to develop a plan to help you achieve your goals. I know that each one of you will be trying to perform at your best today. For some, that will mean a medal. For others, it will mean the excitement of having competed in the State Championships and representing your School.

I would like to thank Athletics Victoria and Little Athletics Victoria, the management and staff of the City of Darebin, Bundoora Park, and students from Mill Park Secondary College, who are all assisting with the running of today's event.

I would like to acknowledge the work of School Sport Victoria's District, Division and Region School Sport Officers who have co-ordinated the interschool Cross Country program up until this level.

I would also like to acknowledge those teachers in our schools who provide sporting opportunities for children, for without their commitment, events such as this would not be possible.

I wish everyone well in their specific cross country endeavours and I hope that the memories of competing at the School Sport Victoria State Cross Country Championships 2018 as well as striving to achieve your own personal best will remain with you for years to come.

Sarah Burns

Check out this heroes, from Kingston Heath Primary, On Tuesday came 1st and 2nd in U10 District Cross Country. Two places in a race is a first for our School. However the story is in the race itself, the first four boys over the line from 3 different Primary Schools are all from the same Cheltenham Junior Football team u11 Green. The boys celebrated also with fellow team mate Mia who came 1st in the u10 Girls Cross Country. It was fantastic to see them all celebrating as team mates.

Thanks for sending this great story in Bree.

Enabling Victorian Students to Access SSV Competition Pathways

Each year 900 students compete at the School Sport Australia National Championships as members of Team Vic. Each of these students has excelled at their sport, resulting in them being chosen to represent Victoria in a school sport state team.

While all young people selected for Team Vic have the talent and commitment to succeed, not all have the funds or support to take up the opportunity. To eliminate this barrier to participation, SSV has established the Sports Excellence Scholarship Fund. Scholarships are awarded to help support Victorian students from low socio-economic, indigenous or rural and regional backgrounds.

Participating in sport provides young people with social, cultural and educational opportunities, encouraging healthy lifestyles, the development of life skills and lifelong friendships. For those from disadvantaged backgrounds, these benefits can be far reaching.

"The highlights for me was playing against all the other states and seeing great talent across Australia. I gained new skills from the tournament and different knowledge of the game. My advice to other sporting participants competing in a national tournament is to go hard, gain new friendships, learn as much as you can and no matter what happens do your best and be proud of yourself... and never give up."

Jenny, (Team Vic player)

"Attending the national championships was a fabulous experience for both Geoff and myself. Receiving the extra financial support made things a lot easier. It was fantastic to see the enjoyment that Geoff experienced from representing his state and being a part of a team. I believe it has really helped Geoff to develop his leadership skills and his ability to work in a team situation. Thank you for making this scholarship available"

Nikki (Parent)

Previous Team Vic athletes include; Gary Ablett Jnr, Linley Frame, Steve Hooker, Chris Judd, Nicole Livingstone, Gary Lyon, Sharelle McMahon and Kyle Vander-Kuyp.

Would you like to support highly talented young people, selected to represent Victoria in sport, whose financial circumstances would otherwise prevent them from doing so?

The Sports Excellence Scholarship Fund has been created to support Victorian students who have the proven talent to be selected for a School Sport Australia National Championship, but do not have the funds to take up the opportunity.

These young people may come from low socio-economic, indigenous and/or rural backgrounds. This endowment fund will provide resources in perpetuity to support these young people's talent and aspirations.

We are seeking support from individuals who believe in supporting young people with talent, to make a tax deductible contribution, which will create a legacy for generations to come.

The SESF has its own, independent Deductible Gift Recipient (DGR) status and as such all donations are tax deductible
