SCHOOL SPORT VICTORIA CRICKET – PRIMARY CRICKET BLAST Proudly supported by Cricket Victoria

These rules apply to State, Region and Division competitions. Any variations to these rules at Region and Division levels will be found on the relevant page on the SSV website.

Match Format:	For Regions and Division match format, please consult the relevant page on the SSV website or contact the relevant Coordinator.
State Format:	Split Round Robin, Final
State Match Format:	Cricket Blast (Eight overs in each innings)
State Match Schedule:	There will be a Pre-Championships Briefing for all teams prior to first round matches.
	Refer to the State Finals Draw, on the SSV website, for the Match Schedule
State Match Winner:	Matches in the round-robin section will be decided by the most runs scored.
	If a round robin match is tied, a draw will stand.
State Round Robin Winner:	 If teams finish equal on games won then positions will be decided on number of runs scored (or on average runs scored where a bye exists). The team with the bye scores points as for a win and receives their average runs for all the matches. Finals will generally be 1 Vs 2, 3 Vs 4, 5 Vs 6 etc (variation with pools).
	2. If teams are equal on wins and runs scored, a bowl off will be conducted to determine who qualifies for the final.
	Points will be allocated for Round Robin matches as follows: 4 points for a win, 2 point for a draw and 0 for a loss.
State Final Winners:	If the final is tied a 'Bowl Off' will take place:
	8 members of each team bowl a ball at the stumps.1 point is scored for each ball that hits the stumps
	If the 'Bowl Off' is tied the process is repeated until a winner is decided.
Conditions:	See the School Sport Victoria's ' <u>General Conditions of Competition</u> '. All players, teachers, spectators and officials are bound by the <u>'SSV Codes of Conduct'</u> and the <u>'Participant</u> Behaviour Policy'.
	A girl cannot play in a girls' team and a boys/mixed team in the same sport.
	The level of competition chosen by a student at District level remains binding through to Division, Region and State levels.
Team Size:	Twelve (12) players only may be used in one day
	Only twelve (12) SSV medallions plus one (1) for the coach will be awarded to placegetters.
	Extra SSV medallions will NOT be available.
Rules:	Matches to be played using <u>Cricket Victoria's Cricket Blast Rules</u> Please see the <u>SSV Primary Schools Resource Manual</u> for more useful sport specific information.
Batting:	 Eight batters are put in pairs numbered 1-4. Each pair will bat together for two overs. Pairs remain batting irrespective of the number of times they are dismissed, until they have batted for two overs. Batters swap ends at the end of each over. Players can be 'out' in the following ways: bowled, caught, run out, stumped, hit wicket or leg before wicket (LBW). A batter can only be out LBW when they do not offer a shot and the ball is definitely going to hit the stumps. The only penalty for being out is that players swap ends (this does not apply to run out) and the bowling team receive five bonus runs to their total score. The next batting pair must be ready to bat immediately following the previous pairs innings One all four pairs have batted for two overs the two teams swap roles.
Bowling:	 Eight players must bowl and wicket-keep for one over each (there is no designated wicket-keeper). One partner bowls whilst the other wicket-keeps (the wicket-keeper must field behind the stumps a the batters end). At the end of the over (six balls) the partners swap roles.

 2. bowers are builted to egit meter fun type. The indumini multiply more financed with a series of a constraint of the series of the cover the batters swap ends. 3. all over are to be bowled from the same end. At the end of the over the batters swap ends. 4. There will be a maximum of six deliveries in each over. No Balls: are not re-bowled except for the final over of the innings, which must contain six legitimate balls. 5. At the State Final the first 3 balls of each over must be bowled overram. The second three balls can be bowled underam if the bowler is having diffucity overram. These second three balls can be bowled underam if the bowler is having diffucity overram. These second three balls. 6. A ball that bounces over shoulder the poly this in the batter is in a normal batting stance shall be called a no ball. Any ball that is a full toss above waist height shall also be called a no ball. 7. Wo turns are awarded to the batting team for every no ball bowled. 8. Any overam dowly hat bounces more than once or rolls along the ground, shall be obviously gain an advantage). The umpire may decide to re-bowl delivaries if they consider them unfair. 9. If a no ball is bowled then the batter receives a free hit off the batting team or or off side but cannot be hit behind the wicket. An 'any' court motion as a swinght. 9. In the case of a 'free hit, the fielding team must stay in the positions they were in at the end behind the wicket or 'stumpod'. 9. For safely reasons, the batter is the only player permitted to place the ball on the 'free hit' be. 9. Fielding: 9. At the moment of delivery to player any field closer than 10 metres from the batter the 'no'. 9. For safely reasons, the batter is the only player permitted to place the ball on the 'free hit' be. 9. Fielding: 9. At the moment of delivery to player advalled place	Bowling (continued):	
Pro Balls: There will be a maximum of six deliveries in each over. No Balls are not re-bowled except for the final over of the innings, which must contain six legitinate balls. At the State Final the first 3 balls of each over must be bowled overam. The second three balls can be towled under anni the towler is han up diffucity overam. The second three balls can be towled under anni the towler is hand the balts on the towler is hand. A ball that bounces over should ender anni the towler is hand the balts of the towler is hand. A ball that bounces over should ender anni the balts is a real balls. A the balters end there will be two plastic cores placed praciel to the stumps 1200 m from the middle situation. Any ball that lis a full toss above waist height also be called a no ball. Any overam delivery (huless the bowler is deliberately rolling 1 along the ground, shall be deemed a fair delivery (huless the bowler is deliberately rolling 1 along the ground, shall be deemed a fair delivery (huless the bowler is deliberately rolling 1 along the ground is to consider them unfair. If a no ball is bowled then the batter receives a free hit off the batting teer. A batter can only be tont by min aut free hit. The ball can be thit on either the 'on' or of side but cannot be hule baind the wicks. An 'airy counts as a swinght'. If the a no ball is bowled then the batter is an avainage. If the batting team is the moment the grounds adverted with the positions they were in at the moment the grounds. An 'airy counts are avainage to the batter can only be ton't by num cat from a fine hit and so cannot go 'out' bowled'. Free Hit: At the moment of delivery no players may field closer than 10 metres from the bat (excerpt the wickeleksepeer or sithe le		
No Balls: for the final over of the innings, which must contain six legitimate balls. At the State Final the first 3 bills of each over must be bowled overarm. The second three balls can be bowled underarm if the bowler is having difficulty overarm. When bowling underarm the balls is only allowed to bounce once. A ball that bounces over shoulder height when the batter is in a normal batting stance shall be called an oball. Any ball that is a full toss above waist height shall also be called a no ball. Balls: 2. A the batters and three will be two plastic cones placed parallel to the stumps 120cm from the middle stump. Any ball that passes outside this area shall be called an oball. Control 3. Any owerarm delivery inthe bounces more than once or rolls along the ground is doesn't deliver (unless the bowler is delivered) voltage theorem than once or rolls along the ground is doesn't deliver (unless the bowler is delivered) voltage to the out of a dong the ground is obviously gain an advantage). The umpire may decide to re-bowl deliveries if they consider them unfair. Free Hit: 1. If a 'no ball is bowled then the batter receives a 'free hit' off the batting tee. A batter only gets one swing at a free hit. The ball can be hit on either the 'on' or' field but cannot be the bich in the work at 30 might. Bit is any all the previous delivery was made unit the ball is hit of the less. Fielding: 1. At the moment of delivery no players may field closer than 10 metres from the bat (except the wicket-keeper or slip fielders). Scoring: 1. At the moment of delivery no players may field		·
 At the State Final the first 3 Sails of each over must be bowled overam. The second three balls can be bowled underam if the bowler is hwing difficulty overam. When bowling underam the ball is only allowed to bounce once. A ball that bounces over shoulder height when the batter is in a normal bating stance shall allo be called an oball. Any ball that is a full toss above waish height shall also be called an oball. A the batters end there will be two plastic ocnes placed parallel to the stumps 120cm from the middle stump. Any ball that passes outside this area shall be called an oball. The oruns are awarded to the batting team for every no ball bowled. ground, shall be determed a fair delivery (unless the bowler is deliberately rolling it along the ground to obviously grain an advantage). The umpire may decide to re-bowl deliveries if they consider them unfair. Free Hit: If a no ball is bowled then the batter receives a free hit "off the batting tee. A batter only gets one swing at free hit. The ball can be hit on or off side but cannot be hit behind the wicket. An 'any' counts as a swinghit. In the case of a free hit, the felling team musts thay in the positors they were in at the moment the previous delivery van ande until the ball is hit off the tee. Free Hit: A the moment of delivery no players may field closer than 10 metres from the bat (except the wicket-kooper or silp fielders). No more than three players can field in the Double Zone at the time of delivery No more than three players can field in the Double Zone at the time of delivery as substitute may take hisher place and fulfil all requirements of that player. Scoring: At the moment of delivery no players may field closer than 10 metres from the	No Balls:	
Indexame the ball is only allowed to bounce once. 1 A ball that bounces over shoulder height when the batter is in a normal batting stance shall be called a no ball. 1 A the batters end there will be two plastic conce placed parallel to the stumps 120cm from the middle stump. Any ball that passes outside this area shall be called a no ball. 1 A the batters end there will be two plastic conce placed parallel to the stumps 120cm from the middle stump. Any ball that passes outside this area shall be called a no ball. 2 Two runs are awarded to the batting team for every no ball bowded. 4 Any overarm delivery (inhese the bowler is deliverery no ball bowded. 4 Any overarm delivery (inhese the bowler is deliverativy roling it along the ground to obviously gain an advantage). The umprire may decide to re-bowl delivaties if they consider them unfait. 5 If a no ball is bowled then the batter receives a 'tee bit' off the batting tee. 4 A batter only desions swing at a free hit. The folding tam must stay in the positors they were in at the moment the previous delivery was made until the ball is hit off the tee. 6 The batter can only be 'out by run out from a 'tree hit' and so cannot go 'out' 'bowled', 'hit wicket' or 'stumped'. 7 Fielding: 1 A the moment of delivery no players may field closer than 10 metres from the bat (except the wicket-deeper or silp fielders) 8 No more than by take hishidre places and full all requinements of tha		5.
