Any innings in progress when time has elapsed shall be completed if it so affects the result of the game.

Abandoned Game: If a game is abandoned before the time limit is reached, then the game is decided on the score of the last complete innings, provided 1 innings have been played in all final games, or the team which has had less innings has scored more runs than a team which has had more innings.

Each innings: An innings is completed when ALL batters have batted on one team. The umpire will call "Last Batter" when the final batter comes to bat. Once the play is finished on the next play, players swap sides.

Completed innings: A completed innings is when both teams have had all their batters' bat all the way through. At the end of a completed innings both teams will have had equal chances to score runs.

Officials: Umpires will be provided at State Finals.

Lateness Penalty: If a team is late for the start of their match for reasons beyond their control and the team communicates with the convener, then the convener will try to accommodate the team as best he/she can.
