EVENT: 55	12/13yr Girls
EVENT: 56	12/13yr Boys/Mixed

PLEASE NOTE:

- All events are conducted using the **Timed Finals** format. ie the times recorded by students/teams in the heat/s are compared to determine the placings. **There is not a final for any event.**
- There will be two (2) heats for all the individual events and one (1) heat for each of the relay events.
- For the MULTICLASS events, heats will be held where necessary. It is highly likely that the boys and girls events will be conducted at the same time instead of having separate races.
- The first place getter in every event will advance to the SSV State Final. If you win a Region event and know you will not be able to attend the State Championships, you must inform the staff at the Presentation Ceremony to ensure the invitation is given to the second placed individual/team.
