

SCHOOL SPORT VICTORIA 2026 INFORMATION

School Sport Victoria, as part of the Department of Education, delivers an extensive school sport program to primary and secondary students across Victoria.

This document provides an overview of School Sports Victoria's interschool sport program including multiclass student opportunities, state representative program known as Team Vic, the Victorian Teachers' Games and the various ways to keep up to date with School Sport Victoria news and opportunities.

There are a range of membership benefits available to schools, students, and teachers including professional development opportunities. See the [School Sport Victoria 2026 School Sport Program](#) and the [School Sport Victoria website](#) for more information.

INTERSCHOOL SPORT

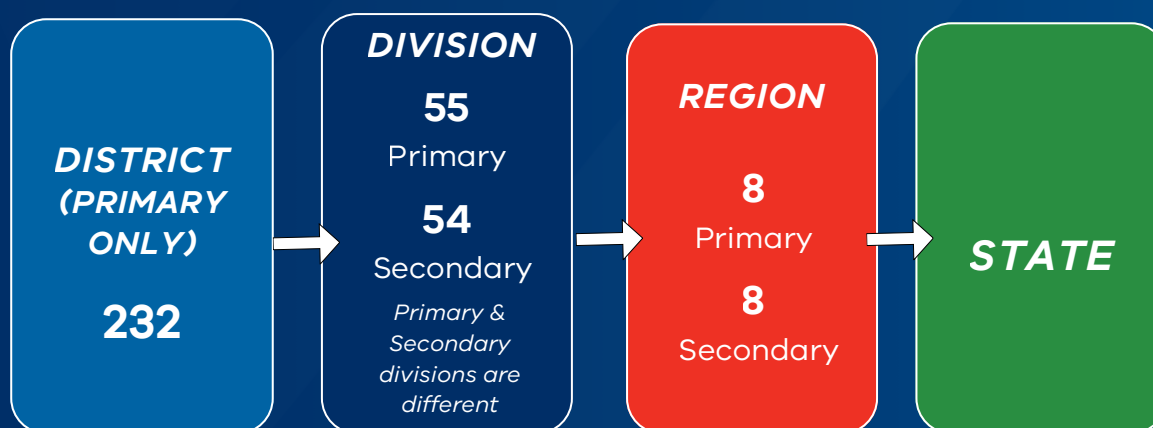

School Sport Victoria delivers a comprehensive interschool sport program for Victorian students in years 4 to 12 to represent their school, with competitions organised across eight (8) School Sport Victoria sporting regions.

The interschool sport program offers a pathway for school teams and individual students to progress through levels, from local interschool competitions and events to State Championships. This is organised across four (4) levels being district, region, division, and state in primary school and three (3) levels being region, division, and state in secondary school.

Schools are allocated to a local district (primary)/division (secondary) within one of the eight sporting regions.

Team VIC STATE REPRESENTATIVE TEAMS

The Team Vic representative program provides a development platform for Victoria's emerging student athletes to participate in the annual School Sport Australia Championships.

School Sport Victoria coordinates the selection process for Team Vic teams in partnership with relevant state sporting organisations which is delivered by a network of more than 140+ Team Vic Officials.

Depending on the sport and team, the selection process involves:

- State trial/s
- Progressive or conference model
- Results from event/s
- Based on rankings/results or talent identification
