

Interschool Sport Invitation Request Form

Swimming, Cross Country and Track & Field only

Invitation requests can only be submitted by the school.

School Sport Victoria (SSV) recognizes that there are circumstances where students are not able to follow the prescribed progression pathway for SSV interschool sport competitions.

This policy allows schools to apply for an invitation for these students as long as they meet the criteria mentioned in this policy. If the student's circumstances **does not** meet **one** of the criteria, then an invitation **will not be granted**.

NOTE: Family holidays and personal commitments **are not** grounds for an invitation.

- Performances must be equal or better than 8th place at the previous year's Region/State Championships &
