### GUIDANCE:

This policy is broken up into 3 sections:

- A) Awarding of School Sport Victoria "Spirit of Sport Bannerettes"
- B) Positive Behaviour Rule
- C) Order off Rule

#### **A. Awarding of School Sport Victoria "Spirit of Sport" Bannerettes**

A "Spirit of Sport" bannerette shall be awarded to the school that best exemplifies positive values at each SSV State Championships.

Captains of each of the teams competing are encouraged to recommend a school to receive the award on the day of competition.

The event convenor on the day will determine the winner of the award. The convenor is required to consult with any attending SSV Coordinators or SSV staff if they are in attendance when determining the award winner.

The event convenor may determine not to make an award.

Wherever possible the award will be presented at the end of the round robin matches, unless the preferred school is competing in finals. If the preferred school is competing in finals the award will be presented at the end of competition provided they maintain the standard of behaviour from the round robin sections of the competition.

The following criteria is to be used. The convenor may use any or all criteria when coming to a decision:

- d) If spectators (i.e. students, ex-students, parents, friends) supporting a particular team display unacceptable or abusive behaviour towards the umpire or members of the opposition, the convener will inform the coach of that team that if it continues the match will be stopped by the convener and awarded to the opposition.
