## LAWN BOWLS - PRIMARY

### Match Format

Play will be two bowl fours, with three sides in a team making 12 in total.

In Round Robin matches play will continue for 5 ends or 40 minutes, whichever comes first.

If time elapses, the end in progress will be declared void.

The jack will not be rolled; it will be placed at the start of each end at the front of the T. If during play the jack is knocked out of bounds the jack will be re-spotted at the back of the 'T'.

Bowling order: A1, B1, A1, B1; A2, B2, A2, B2...

Further to this The Lead, Second and Third (A1, A2, A3) all at the bowling end, with the Skip (A4) at the head (end with all the bowls). Once A1 B1, A2 B2, A3 B3 have had all their bowls they all walk up the other end and the two skips would walk down to the bowling end to have their bowls.

### Results

Two points will be awarded for a win, one point for a draw.

Matches in the round-robin section will be decided by 'ends won' (all 3 rinks added together).
