PRESIDENT'S MESSAGE

On behalf of School Sport Victoria (SSV), I would like to welcome everybody to the SSV primary schools track & field championships. The Department of Education and Training (DET) wants schools to focus on happy, healthy and resilient students. As such, the DET want more students being physically active and more students

being resilient. Sport teaches students resilience and equips them with the skills to think critically and problem-solve in an increasingly competitive world. SSV is assisting the DET with this focus.

With this priority in mind part of SSV vision is the importance of engaging all students or young people in a healthy active life style through quality physical education and sporting programs. We at SSV want young people to engage and grow into better people through the programs we offer. Sport creates opportunities for every Victorian, allowing young people to make connections, learn to work together and reach their full potential.

SSV provides interschool sport for more than 2,300 government, catholic and independent schools across Victoria. This involves more than 600,000 students from Years 4 to 12.

I congratulate all competitors who are competing here today. It is a fantastic achievement to have progressed through the division and region of the SSV athletic championships in order to qualify for the state finals. As you strive to be your best today in your events, remember you have already enjoyed success in actually qualifying to be here and to compete. Only a select few can be the overall event winners, so enjoy the experience and the competitive challenges you face. I know we will witness performances of the highest quality over the course of this championship. Make sure you participate the right way by displaying the spirit of sportsmanship and fair play to all at today's competition.

I would like to thank Athletics Victoria (AV) for their assistance in making this championship a great success. I would like to acknowledge the work of the

personal from the SSV unit and the work of the SSV division and region coordinators who have organised the athletics competition at all levels. A special thank you must go to the students from Mac Robertson Girls' High School and Melbourne High School, who are assisting with the operations of today's event. Also, thank you to the parents, officials and volunteers that do so much to support this athletics championship. Without your support, the ability of athletes to compete at outstanding events like this would not be possible.

I would also like to acknowledge all the teachers in our schools who provide sporting opportunities for all school age children. Without their commitment, events such as today's finals would not be possible.

Finally, on behalf of SSV, I would like to wish all the competing athletes the best of luck at the 2019 SSV athletics championships. I hope that the memories of competing will remain with you for many years to come.

Each year 900 students compete at the School Sport Australia National Championships as members of Team Vic. Each of these students has excelled at their sport, resulting in them being chosen to represent Victoria in a school sport state team.

While all young people selected for Team Vic have the talent and commitment to succeed, not all have the funds or support to take up the opportunity. To eliminate this barrier to participation, SSV has established the Sports Excellence Scholarship Fund. Scholarships are awarded to help support Victorian students from low socio-economic, indigenous or rural and regional backgrounds.

Participating in sport provides young people with social, cultural and educational opportunities, encouraging healthy lifestyles, the development of life skills and lifelong friendships. For those from disadvantaged backgrounds, these benefits can be far reaching.

"The highlights for me was playing against all the other states and seeing great talent across Australia. I gained new skills from the tournament and different knowledge of the game. My advice to other sporting participants competing in a national tournament is to go hard, gain new friendships, learn as much as you can and no matter what happens do your best and be proud of yourself... and never give up."

Jenny, (Team Vic player)

"Attending the national championships was a fabulous experience for both Geoff and myself. Receiving the extra financial support made things a lot easier. It was fantastic to see the enjoyment that Geoff experienced from representing his state and being a part of a team. I believe it has really helped Geoff to develop his leadership skills and his ability to work in a team situation. Thank you for making this scholarship available"

Nikki (Parent)

Previous Team Vic athletes include; Gary Ablett Jnr, Linley Frame, Steve Hooker, Chris Judd, Nicole Livingstone, Gary Lyon, Sharelle McMahon and Kyle Vander-Kuyp.

School Sport Victoria Snapshot

Would you like to support highly talented young people, selected to represent Victoria in sport, whose financial circumstances would otherwise prevent them from doing so?

The Sports Excellence Scholarship Fund has been created to support Victorian students who have the proven talent to be selected for a School Sport Australia National Championship, but do not have the funds to take up the opportunity.

These young people may come from low socioeconomic, indigenous and/or rural backgrounds. This endowment fund will provide resources in perpetuity to support these young people's talent and aspirations.

We are seeking support from individuals who believe in supporting young people with talent, to make a tax deductible contribution, which will create a legacy for generations to come.

The SESF has its own, independent Deductible Gift Recipient (DGR) status and as such all donations are tax deductible
