<b>Rules:</b>	Matches to be played using Cricket Victoria's T20 Blast School Cup Rules
<b>Batting:</b>	<ol style="list-style-type: none"> <li>1. Eight batters are put in pairs numbered 1-4 . Each pair will bat together for two overs.</li> <li>2. Pairs remain batting irrespective of the number of times they are dismissed, until they have batted for two overs. Batters swap ends at the end of each over.</li> <li>3. Players can be 'out' in the following ways: bowled, caught, run out, stumped, hit wicket or leg before wicket (LBW). A batter can only be out LBW when they do not offer a shot and the ball is definitely going to hit the stumps.</li> <li>4. The only penalty for being out is that players swap ends (this does not apply to run out) and the bowling team receive five bonus runs to their total score.</li> <li>5. The next batting pair must be ready to bat immediately following the previous pairs innings</li> <li>6. Once all four pairs have batted for two overs the two teams swap roles.</li> </ol>
<b>Bowling:</b>	<ol style="list-style-type: none"> <li>1. Eight players must bowl and wicket-keep for one over each (there is no designated wicket-keeper). One partner bowls whilst the other wicket-keeps (the wicket-keeper must field behind the stumps at the batters end). At the end of the over (six balls) the partners swap roles.</li> <li>2. Bowlers are limited to eight metre run ups. The maximum run up will be marked with a white line.</li> <li>3. All overs are to be bowled from the same end. At the end of the over the batters swap ends.</li> <li>4. There will be a maximum of six deliveries in each over. 'No Balls' are not re-bowled except for the final over of the innings, which must contain six legitimate balls.</li> <li>5. At the State Final the first 3 balls of each over must be bowled overarm. The second three balls can be bowled underarm if the bowler is having difficulty overarm. When bowling underarm the ball is only allowed to bounce once.</li> </ol>

<b>No Balls:</b>	<ol style="list-style-type: none"> <li>1. A ball that bounces over shoulder height when the batter is in a normal batting stance shall be called a no ball. Any ball that is a full toss above waist height shall also be called a no ball.</li> <li>2. At the batters end there will be two plastic cones placed parallel to the stumps 120cm from the middle stump. Any ball that passes outside this area shall be called a no ball.</li> <li>3. Two runs are awarded to the batting team for every no ball bowled.</li> <li>4. Any overarm delivery that bounces more than once or rolls along the ground, shall be deemed a fair delivery (unless the bowler is deliberately rolling it along the ground to obviously gain an advantage). The umpire may decide to re-bowl deliveries if they consider them unfair.</li> </ol>
<b>Free Hit:</b>	<ol style="list-style-type: none"> <li>1. If a 'no ball' is bowled then the batter receives a 'free hit' off the batting tee.</li> <li>2. A batter only gets one swing at a free hit. The ball can be hit on either the 'on' or 'off' side but cannot be hit behind the wicket. An 'airy' counts as a swing/hit.</li> <li>3. In the case of a 'free hit', the fielding team must stay in the positions they were in at the moment the previous delivery was made until the ball is hit off the tee.</li> <li>4. The batter can only be 'out' by run out from a 'free hit' and so cannot go 'out' 'bowled', 'hit wicket' or 'stumped'.</li> <li>5. For safety reasons, the batter is the only player permitted to place the ball on the 'free hit' tee.</li> </ol>
<b>Fielding:</b>	<ol style="list-style-type: none"> <li>1. At the moment of delivery no players may field closer than 10 metres from the bat (except the wicket-keeper or slip fielders)</li> <li>2. No more than three players can field in the Double Zone at the time of delivery</li> <li>3. Fielders can be interchanged at the conclusion of each batting pair. If a fielder is injured a substitute may take his/her place and fulfil all requirements of that player.</li> </ol>
<b>Scoring:</b>	<p>Runs and extras are scored according to the rules of cricket with the following exceptions:</p> <ol style="list-style-type: none"> <li>1. A 'no ball' is scored as 2 runs to the batting side plus whatever runs are scored off the 'free hit'.</li> <li>2. Any runs scored off the bat into the double zone will be doubled. The double zone is an area behind the stumps at the bowlers end. A ball hit along the ground to the boundary in this zone is credited with 8 runs. If the ball is hit over the boundary on the full in the double zone scores 12 runs.(note: two runs for a no ball does not become four if it is hit into the double zone).</li> <li>3. Every wicket taken by the bowling side results in them receiving a bonus five runs to their total score.</li> </ol>
<b>Officials:</b>	<ol style="list-style-type: none"> <li>1. Umpires will be provided at the State Finals</li> <li>2. Each team is required to supply a scorer who stand together at Square Leg for all games.</li> </ol>
<b>Equipment to bring</b>	<ol style="list-style-type: none"> <li>1. Wooden or plastic bats may be used by batters</li> <li>2. Kookaburra World Cup Balls will be used at Regional Carnivals and State Finals. These will be supplied by Cricket Victoria.</li> <li>3. It is strongly recommended that wicket-keepers wear a helmet with a grill.</li> <li>4. Stumps and cones used at Region and State Finals will be supplied by Cricket Victoria.</li> </ol>
