State Round Robin Winner: Points will be allocated for Round Robin matches as follows: 3 points for a win, 1 point for a draw and 0 for a loss.

In the event that two teams are tied at the end of the round robin the winner of the face to face match will be declared the winner.

If this was a draw or if more than two teams are tied, then the following will be used to determine the winner:

- a. Goal difference. When you subtract the goals conceded from the goals scored the team with the most positive goal difference is the winner. In the event that the goal difference is equal then the next parameter is used which is most goals scored.
- b. Most goals scored. The team that has scored the most goals will be the winner of the Round Robin.
- c. Least goals against. The team that has had the least goals scored against will be the winner of the Round Robin
- d. Team that scored first when the tied teams played against each other
- e. Team with the least amount of red card infringements.
- f. Team with the least amount of yellow card infringements.
- g. In the event that a winner still cannot be determined a coin toss will decide the winner of the Round Robin.

State Final Winner: If the final is tied at full-time 10 minutes of extra time will be played (5 minutes each way).

If tied after extra time, a series of 5 penalty kicks shall be taken by each team.

- a. Each penalty kick to be taken alternately by five different players. The Goalkeeper to defend for each team.
- b. The teams will toss again to determine the choice of whether to shoot or defend first.
- c. If still tied, a further series of penalty kicks, alternately taken by different players, shall be taken until a decision is reached on an even kick basis. Players who have participated in previous penalty kicks are not to be used unless all team members, excluding the Goalkeeper, have participated.
