On behalf of School Sport Victoria, it is my pleasure to welcome you to School Sport Victoria's State Cross Country Championships.

On October 7 2010 School Sport Victoria was officially launched, bringing together the membership, resources and staff of two long-standing Victorian school sporting organisations; the VPSSA and the VSSSA.

School Sport Victoria provides regular sporting opportunities to 90% of Victorian school students. This equates to over 550,000 students across 2,400 schools. In line with the Education State Ambition: Happy, healthy and resilient kids. School Sport Victoria actively advocates building resilience and increasing physical activity in our students and young people. Physical activity is vital for increased health and fitness, developing coordination and motor skills, and has a positive effect on general wellbeing including mental health and social development.

Membership of School Sport Victoria is open to all Victorian schools from years 4 to 12, providing the opportunity to participate in programs that extend from grassroots intra and inter school sport, to district, division, region, conference, state and national levels.

In sport, as well as life, it is important to set some goals and to develop a plan to help you achieve your goals. I know that each one of you will be trying to perform at your best today. For some, that will mean a medal. For others, it will mean the excitement of having competed in the State Championships and representing your School.

I would like to thank Athletics Victoria and Little Athletics Victoria, the management and staff of the City of Darebin, Bundoora Park, and students from Mill Park Secondary College, who are all assisting with the running of today's event.

I would like to acknowledge the work of School Sport Victoria's District, Division and Region School Sport Officers who have co-ordinated the interschool Cross Country program up until this level.

I would also like to acknowledge those teachers in our schools who provide sporting opportunities for children, for without their commitment, events such as this would not be possible.

I wish everyone well in their specific cross country endeavours and I hope that the memories of competing at the School Sport Victoria State Cross Country Championships 2017 as well as striving to achieve your own personal best will remain with you for years to come.

Check out this heroes, from Kingston Heath Primary, On Tuesday came 1st and 2nd in U10 District Cross Country. Two places in a race is a first for our School. However the story is in the race itself, the first four boys over the line from 3 different Primary Schools are all from the same Cheltenham Junior Football team u11 Green. The boys celebrated also with fellow team mate Mia who came 1st in the u10 Girls Cross Country. It was fantastic to see them all celebrating as team mates.

Thanks for sending this great story in Bree.
