## SELECTION GUIDELINES

School Sport Australia Championships consists of both educational and sporting components. Being a member of a School Sport Victoria Team Vic representative team provides the opportunity to be involved in all educational and sporting excursions and aim for national selection.

Team Officials run a selection process that is fair and transparent. This process involves the design of guidelines and trial activities, assessment of players and ensuring students, parents and teachers are made aware of this process

### Team members are expected to abide by the following responsibilities:

- Attend all sessions (i.e., including but not limited to initial briefing, training, practice matches, jumper presentation, team photo etc..) as deemed compulsory by Team Officials including the State Camp
- Must be accompanied by a parent/carer to the 2023 Championships. Parent/carer is responsible for the travel, meals and accommodation for themselves and their child
- Purchase the compulsory uniform
- Complete and return all team documentation to the Team Manager by the due date
- Pay all team membership invoices by the due date
- Attend all SSA Championship sessions, including the opening and closing ceremonies and the educational excursion activity as per the [SSA Championship Attendance Policy](#)
- Recognise that the SSA Championships are school activities, and the decision-making regarding each team member's participation in those activities or in preparation for those activities, is the responsibility of the Team Officials
- Be respectful of the role of the Team Officials in making decisions regarding each team member's participation in SSA Championship activities or other preparation activities
- Follow [COVID-19 guidance to protect yourselves and others](#) and comply with any health advice that is issued.

### Guidelines for selectors

- Opportunity to trial in a variety of positions
- Consideration of team composition so players from the same school or team are not advantaged over individual representatives.
- Where appropriate, concentrate on selecting players with generic skills rather than players for specific positions
- Where there may be a perceived or actual conflict of interest such as: trial coordinators assessing the selection of a friend or relative, this must be communicated to SSV and a plan to manage the conflict will be developed and implemented.
- Appropriate playing time to assess each trialist
- Trial coordinators /Team officials reserve the right to not require a player to participate in any trial stage if they deem it to be unnecessary
- Team Officials reserve the right to select a player who is injured or unavailable due to an approved reason during the trial process for reasons applicable to the Team Vic Invitational Policy.
- Team balance is critical to selection of the final squad.
