13-19 Years from **Monday 21 – Saturday 26 August 2023**.
12 Years & Under from **Friday 25 – Tuesday 29 August 2023**.

Eligibility

- 10 – 19 years of age as at 31 December 2023
- Comply with the multiclass categories for the 2023 School Sport Australia Championships where applicable

SSV Member Schools

- Trialing for Team Vic is only possible if your child's school is a financial member of School Sport Victoria (SSV) for 2023
- SSV will contact you if the school your child attends is not a financial member

Trial Progression

- There are no selection trials for any age group for swimming.

State Selection

- Swimmers must nominate and register for Team Vic via the registration link <https://www.ssv.vic.edu.au/team-vic/pages/swimming.aspx> by 11.59pm Friday 28th April 2023. Only swimmers nominating via this process will be considered.
- Completing the registration process indicates your intent to be available for selection, your intent to swim, if selected, and that you have met the **qualifying standards** in a qualifying meet in one or more events (see Qualifying Standards below).
- To be considered for selection, you must compete and set one or more standard times as set by SSV (see below), at any of the meets listed below. Multi-class swimmers must meet the minimum point score listed to be eligible
 - o All long course swim meets approved by Swimming Victoria (SV) as 'Qualifying Meets' from 1st January 2022 to 28 April 2023. This includes the SSV State Championships and any times recorded as Official times on the Swimming Australia database
 - o Finals of each School Sports Association that are SV approved meets, or MM results file provided to SSV
- There is a restriction on the number of swimmers that can be entered in each event but no maximum team size.
- Emergencies will be identified but not named at the time of selection.
- Swimmers will be asked to nominate up to six (6) preferred **individual** events i.e. stroke and distance. Times are not required. These are only used if a swimmer is eligible for many events and we give them their preferences when reallocating other events to other swimmers to make a balanced team.
- Long Course times achieved after the selection period, and prior to submission of entries to SSA, will be used to update entry times, but will not change individual event selections. The National Database will be used to access these times. Short course times will not be used.
- The selected team will be posted on the SSV website in the late May 2023, allowing for performance verification.
- Selection for relays will be confirmed at the Championships. Swimmers will be advised of the number of potential relays they will swim on selection, but actual teams will be finalised at the Championships, with performances at the Championships able to be used to finalise teams. It is compulsory to swim in all relays you are selected for.

SELECTION GUIDELINES

School Sport Australia Championships consists of both educational and sporting components. Being a member of a School Sport Victoria Team Vic representative team provides the opportunity to be involved in all educational and sporting excursions and aim for national selection.

Team members are expected to abide by the following responsibilities:

- Attend all sessions (i.e., including but not limited to initial briefing session, training sessions, uniform presentation, and team photo etc.) as deemed compulsory by the Team Officials
- Must be accompanied by a parent/carer to the 2023 SSA Championships. Parent/carer is responsible for the travel, meals and accommodation for themselves and their child
- Purchase the compulsory uniform
- Complete and return all team documentation to the Team Manager by the due date
- Pay all team membership invoices by the due date
- Attend all SSA Championship sessions, including the opening and closing ceremonies and the educational excursion activity and abide by the [SSA Championships Attendance Policy](#)
- Recognise that the SSA Championships are school activities, and the decision-making regarding each team member's participation in those activities or in preparation for those activities, is the responsibility of the Team Officials
- Be respectful of the role of the Team Officials in making decisions regarding each team member's participation in SSA Championship activities or other preparation activities
- Follow [COVID-19 guidance to protect yourselves and others](#) and comply with any health advice that is issued.

Guidelines for selectors

- Only official times (individual or relay) recorded on the Swimming Australia database will be used for selection purposes
- Gaining a place at any of the above meets does not mean automatic selection in the Team Vic State Team.
- Selectors must ensure sufficient swimmers in each gender and age group are selected to fill the events on the program
- The team will be selected in order of those with the greatest number of highest rated swims in each age group.
- Selectors reserve the right to distribute swims to team members on an equitable basis to maximise the number of individual swims across the team.
