

Team Vic Swimming Team 2021 - Information

This information applies to all swimmers (including swimmers with a disability) aged 10 to 19 years as at 31 December 2021 and attending a Primary or Secondary school in 2021. Please note, students turning 9 years in 2021 are ineligible.

PLEASE READ THIS CAREFULLY!

1. The nomination process will be conducted online through the SSV website for ALL age groups
2. Completing the **online process** indicates your intent to be available for selection, your intent to swim, if selected, and that you have met the **qualifying standards** in a qualifying meet in one or more events. All swimmers must nominate online by midnight 23 April 2021. Only swimmers nominating via this process will be considered. Only official times recorded on the Swimming Australia database will be used for selection purposes
3. All swimmers are encouraged to nominate early (don't wait to swim a PBI). All long course meets from 1st January 2020 up to the closing date will be eligible to be used for selection
4. Swimmers will be asked to nominate up to six (6) preferred **individual** events ie stroke and distance. Times are not required. These are only used if a swimmer is eligible for many events and we give them their preferences when reallocating other events to other swimmers to make a balanced team. Limits are the same for Able-bodied and Multi-class swimmers
5. Nominating for Team Vic is only possible if your child's school is a financial member of SSV for 2021. SSV will contact you if the school your child attends is **not** a financial member
6. All swimmers regardless of age **must** have competed for their School at a school meet prior to 23 April 2021
7. To be considered for selection, you must compete and set one or more standard times as set by SSV (see page 2), at any of the meets listed below. Multi Class swimmers must meet the minimum point score listed on page 2 to be eligible
 - o All long course swim meets approved by Swimming Victoria (SV) as 'Qualifying Meets' from 1st January 2020 to 23 April 2021. This includes the SSV State Championships and any times recorded as Official times on the Swimming Australia data base
 - o Finals of each School Sports Association that are SV approved meets, or MM results file provided to SSV
6. Gaining a place at any of the above meets does not mean automatic selection in the Team Vic State Team.
7. The sport of swimming does not hold a separate selection trial for any age group
8. Split times and relay lead off times will only be considered if they are recorded as official times on the Swimming Australia Database
9. Selectors reserve the right to distribute swims to team members on an equitable basis to maximize the number of individual swims across the team. You are asked to nominate six preferred **individual** events to assist with this process – for example 50FS, 100FS, 50 Fly, 200Fly etc
10. Long Course times achieved after the selection period, and prior to submission of entries to SSA, will be used to update entry times, but will not change individual event selections. The National Database will be used to access these times. Short course times will not be used.
11. Selection of relays will be confirmed at the Championships. Swimmers will be advised of the number of potential relays they will swim on selection, but actual teams will be finalized at the Championships, with performances at the Championships able to be used to finalise teams. It is compulsory to swim in all relays you are selected for
12. Team members are required to attend all facets of the School Sport Australia Championships (competition, opening and closing ceremonies, excursion etc)
13. The selected team will be posted on the SSV website in the last week of May 2021, allowing for performance verification etc
14. There is a restriction on the number of swimmers that can be entered in each event and on total team size. Due to this, and the need to select sufficient swimmers in each gender and age group to fill the events on the program, swimmers will be selected in order of those with the greatest number of highest rated swims in each age group
